A Message From Principal Ari Goldberg:

Welcome to February GJHS!

As we continue through the winter season slowly approaching spring, we have so much to be proud of here at GJHS. If you have been following our sports, we are approaching post-season opportunities for our teams. We have a musical that students are gearing up for. Solo and Ensemble performances are scheduled. Parent-teacher conferences were a success! And a huge thank you and shout out to the parents who volunteered their time to provide the staff with an incredible meal that night! The winter formal is scheduled for Saturday, February 25th. Our quarterly school accountability meetings will be Wednesday, February 22nd. We are starting the registration process for the next school year. And we are visiting our feeder middle schools to meet our incoming Freshmen and getting them ready for high school. It is a busy time of year and so many wonderful things are happening.

The Senior Class of 2017 has decided on their class gift. The class of 2017 will be donating a Pergola with a few benches and tables. This Pergola will represent a place of hope for the Grand Junction High School community. This Pergola will be a place where students, staff and community members can positively remember and reminisce lost loved ones. This year, we have had loss in so many ways. I am proud of the Senior Class as they want to leave a place of hope for their fellow Tigers. The details are currently being worked on and the goal is to have the Pergola up before senior's last day. I mentioned in a previous newsletter and I would like to ask again, now that we have a plan, if you are willing to donate resources or support the Senior Class financially, we would love the help. We want this be a very special place and the more resources we have, the more we can assure it is done right.

We are now on the second year of a new trend at GJHS! It is our registration process and course selection for the next school year. As I mentioned last year and I will mention again this year, students are required to pick their courses for next year now and students will be held to the courses that they pick. During this current registration window, students are asked to plan, research, and be very thoughtful as they pick the courses they want to have next year. I want to be clear with parents and with students

(Continued on next page)

that once these courses are selected, we will do everything we can to create the schedule that our students select. In return, we will not be allowing students to show up in August asking to have their schedule changed. The only schedule changes that we will honor in August will be those to ensure students are on course to graduate or if the schedule needs to be fixed because it is incorrect. If a student does not fill out a course request now, they will be automatically enrolled in whatever classes are available and no schedule changes will be approved.

Enjoy this month and I wish everyone the best,

Ari Goldberg

Attendance Policy

Please remind your son or daughter that the attendance office has caller ID. A number of students have been referred to the office for attempting to give false information to the attendance office. Most students call impersonating a parent and attempt to excuse an absence from their cell phone. Students who attempt and/or provide false information to the attendance office will serve one day of In-School Suspension.

- Colleges have different admissions requirements; check the specific college website for their requirements.
- Know your ACT score. If you need to re-take it or need the ACT with Writing exam, go to www.act.org. High School code is 060-695. Does the school you are considering require an SAT score? If so, register for the test at www.collegeboard.com.

Middle School Credit

Reminder for Juniors: March 1st is the final day for juniors to add or delete a middle school grade from their transcripts if they took a high school level course. Paperwork can be picked up and dropped off in the counseling office at GJHS for adjusting middle school grades and credits.

The ultimate goal for the counseling team is to have teachers leave GJHS with their schedules for 2017-2018 by the last day of school. The communication is so much better when we are able to complete the plan while teachers are still in the building. Because the district already has a calendar for next year in place, we will have roll over take place on February 20th, which means course requests can be entered after that date. So, here is the plan for a quick turnaround without a lot of extra work put on teachers:

2017-2018 Registration for Current GJHS Students

9th Graders

February-March	Counselors will make appointments to use ACCESS class for passing out materials and explaining the registration process.
March 7th	9th Grade Registration Work Day (Counselors will be in the library the entire day calling down 9th graders to spend approximately 15 minutes entering their course requests into computers.)

10th Graders

February 16th	Registration materials that were started on Career Exploration Day will be returned to the students during advisory.
February 24th	10th Grade Registration Work Day (Counselors will be in the library the entire day calling down 10th graders to spend approximately 15 minutes entering their course requests into computers.)

11th Graders

February 16th	Juniors will attend a registration meeting in the auditorium during advisory; they will receive materials and learn the registration process.
February 28th	11th Grade Registration Work Day (Counselors will be in the library the entire day calling down 11th graders to spend approximately 15 minutes entering their course requests into computers.)

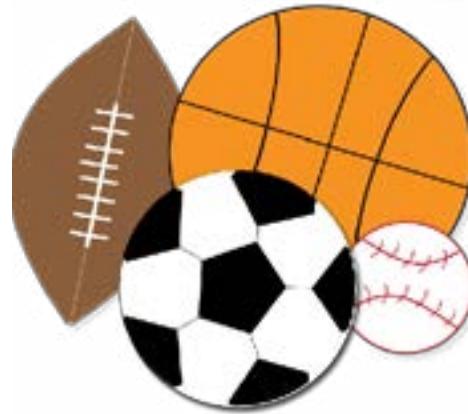

ASVAB

On **March 10th**, from **9am to noon** in the **Central HS library**, the ASVAB exam will be offered to all interested juniors and seniors in School District #51. There is no school that day, so no class time will be missed. ASVAB is the military entrance exam, but is also an excellent tool for students with no interest in the military to help identify their strengths, interests, and vocational or career prospects. **It can also count toward the proficiencies required for graduation.** **In accordance with the agreement among our military recruiters, only the student can initiate contact following the exam.** If you are interested in taking the exam, please sign up in the Counseling Office by March 6th. Seating is limited and available on a first come, first serve basis.

CHSAA HALL OF FAME

Grand Junction High School Alum joins the Colorado High School Activities Association Hall of Fame

Ray Coca, a three-time state wrestling champion at Grand Junction High School, has recently been inducted into the CHSAA Hall of Fame. Coca posted a career 59-1-1 mark. Of his 12 state matches, he won seven by pin. His only loss came when he moved up in weight to take the place of an injured teammate.

Ray went on to Western State where he again starred on the wrestling mat, going undefeated as a freshman and earning all-American honors in 1964 when his team won the national title. He officiated 10 district and one state championship tournaments. He remains active in the community as noted in his awards from the city as a Hometown Hero on at least two occasions.

Ray was also the sports editor for the local newspaper for a number of years, promoting prep sports at a high level for the schools on the Western Slope. Grand Junction High School is proud to recognize Ray Coca as a CHSAA Hall of Fame member.

LUNCH FEES FOR SENIORS

Parents/Guardians of the Class of 2017: If your student will be graduating this year and does not eat the school lunch, perhaps this is the best time to check on his/her lunch account. If the student owes money, it can be paid up at any time before graduation. If the student has excess money on his/her account, we have several options to consider:

1. If you have another student attending school within the District, the money can be transferred to that account. Contact the Culinary Manager at GJHS.
2. If you would like a refund, contact the Culinary Manager at GJHS. Any amount over \$10 must be refunded with a District check.
3. If you would like to donate the money to the Class of 2017, we will apply it to any account that a student might need extra help paying off. Contact the Culinary Manager of GJHS.

Thank you,

Nancy Lauridsen
