Notes by Sandy B. for Mimi

Date: 1/24/09

Agenda Items:

1. Administration.

- A. **Alamo Bowl Recap.** Students liked the parents providing breakfast for them rather than eating the hotel continental breakfast. They said it was easier and more relaxed to pick up their breakfast and go back to their room. We thanked Mr. & Mrs. Lockwood for planning, organizing and meal preparation. The students liked the food. It is recommended to get an extra room next time for food. Food could be prepared there and set out for the students. Purchase more food the first days especially perishables and less food towards the end of the trip, therefore there would be less leftover food. The chaperones said the trip was a "very fun time."
- B. **Alamo T-shirts.** The shirts will cost around \$25. The information will be put on the web page and students can order one if they want.
- C. **Alamo aerial picture.** Really cool picture! Will possibly be able to sell them at the Jazz Dance and at school.
- D. **Candy Bars.** Isaac will see if students can sell them at school and at the dance. May put a red bow on them and sell them for **Valentines Day.**

2. Treasure Report. (Deb) Reviewed Bingo Profit Loss, November 2009 and December 2009 and Explanation of Funds December 2009. Refer to reports for details.

- A. **Bingo.** November was a good month. December was a bad month. We lost \$1923.25. We had big payouts; players were not spending as much as usual and the high dollar players did not play in December.

- B. **Explanation of Funds report.** We have less than usual at this time. Other groups are struggling too. The recession has hit bingo.
3. **Fund Raisers.**
- A. **MVP** discount fundraiser card. More information to come. Check profit margin then decide if band wants to use it.
 - B. **Yearly Fundraising** report. Reviewed. The carnival, alumni and movie night were not entered on this report. The committee reviewed the consideration of adding another Jazz Dance to the year.
4. **Band Projects.** (Janice)
- A. **Jazz Dinner Dance.** Mimi is the coordinator. Helen will take over. Thanks, both of you. They will inventory **decorations**. They made some changes in **food** donations. The **theme** this year will use old records. If you have albums to donate contact one of them. The **tickets** and flyers are ready. Students selling the tickets wrote their name on the back. It keeps them accountable for their tickets and helps keep track of STIP. The committee decided not to buy **advertisement** in the Daily Sentinel or Free Press this year. We are not sure if it is worth the cost. All free advertising has been submitted and dance ads have already been heard on the radio.
 - B. **Silent Auction.** Erica said it is going well. We may auction off an Alamo Bowl picture.
 - C. **Bingo.** Erica. She added two adult volunteers. We still need volunteers. The Bocks and Langes donate many hours and we need other parents to help. Erica schedules volunteers and we need a replacement for her.
5. **Funds Requests**—None.
6. **Open Floor.** Monica. GJHS band has been approved to use the Moose Lodge. Monica will cancel it for this year but reserve it for next years Jazz Dinner Dance if it is available to reserve this soon.

Next Meeting: February 9, 5:30 pm, Java Junction. NOTE DATE CHANGE
