

HOW TO ACCESS PARCC PRACTICE TESTS for 9th graders:

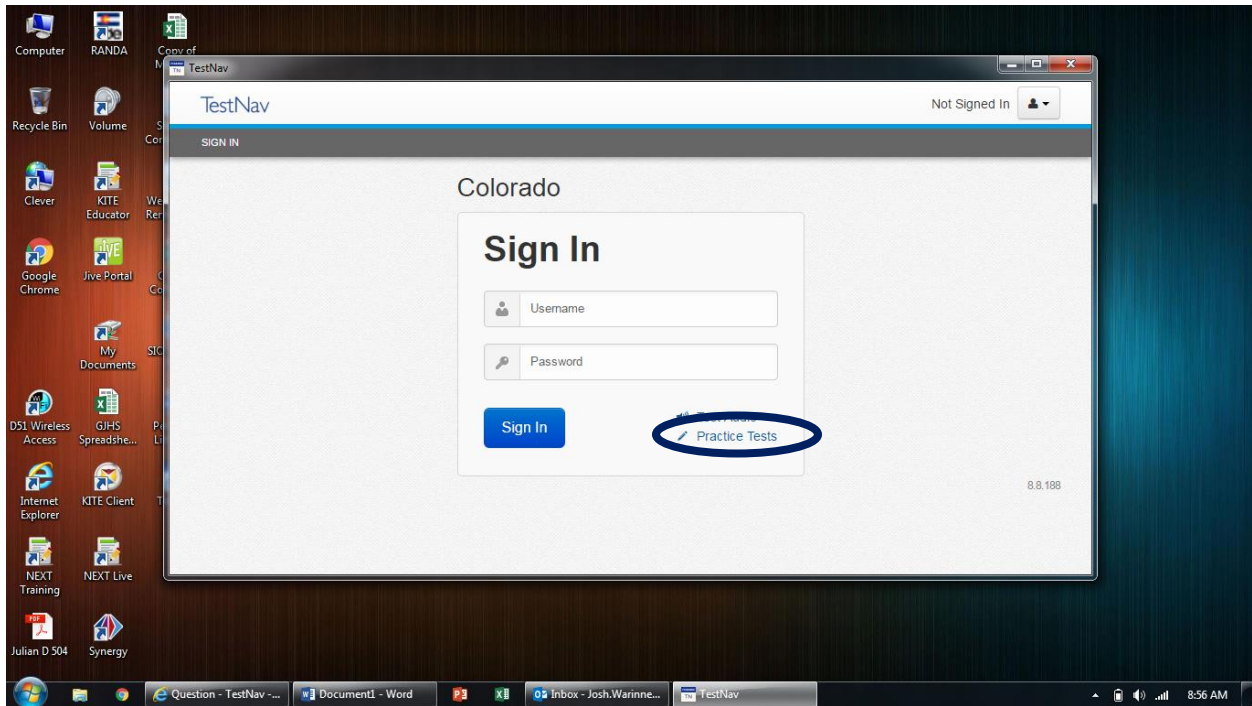

Click TEST NAV ICON on District computer

Click State "COLORADO" (you may not get this screen, go to next step)

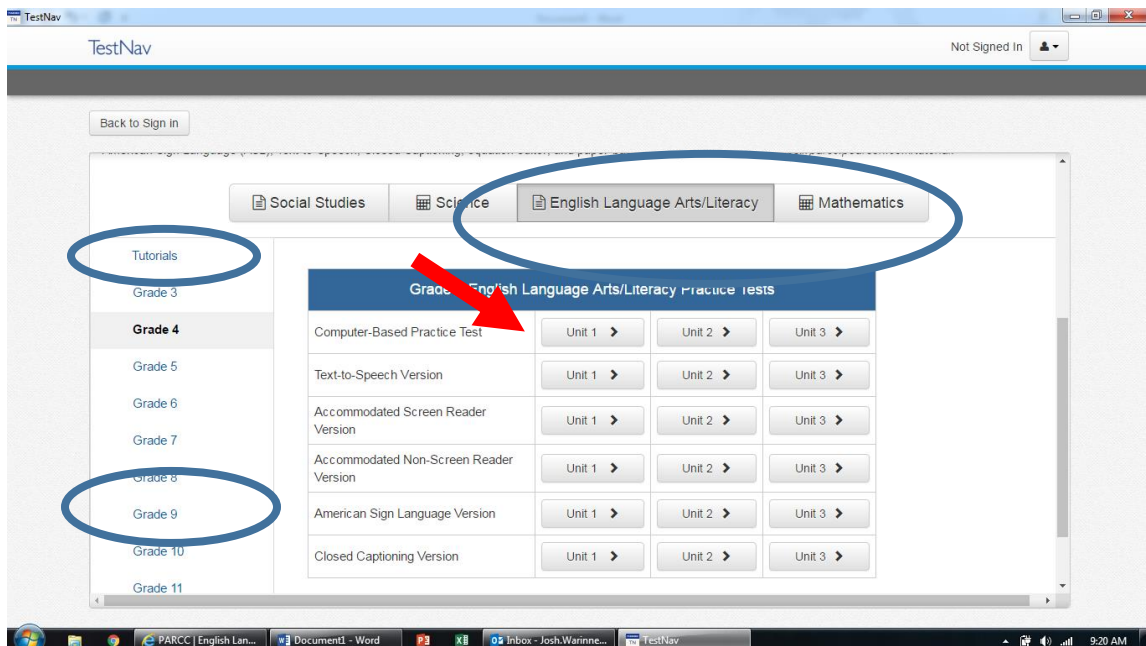

Click PRACTICE TESTS

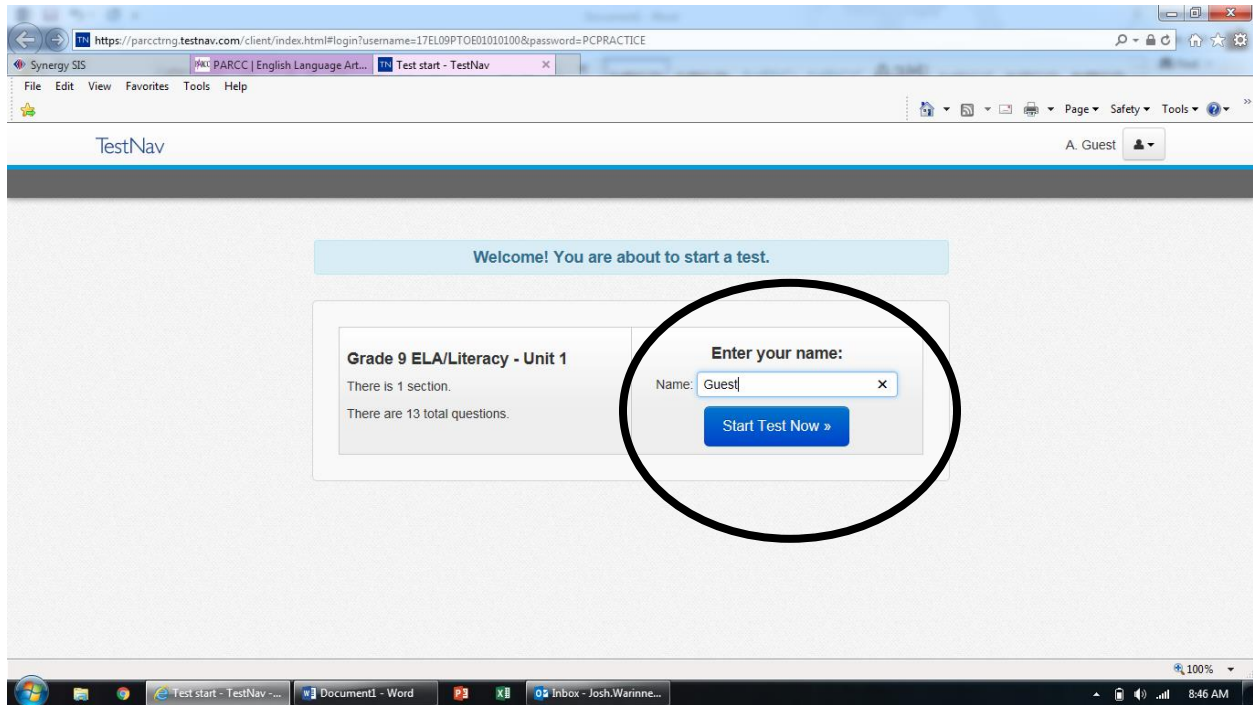

Click on Math or ELA button and then click appropriate grade level. You may also click on Tutorials and go through a few questions on how to use the different tools etc. (Drag and Drop, pointer, highlighter)

Math will look a little different as we will offer Math 1, Math 2, Math 3 etc... on the practice it is Algebra 1, Algebra 2 & Geometry

Pick which unit and test you want to practice: “computer based practice test” is most likely the one you will use.

Keep name as Guest if you want and then click start test now.

You should be good to go!
